

Placer County

Children and Families Commission

Request For Results Outcomes Training

January 4, 2001

Prop 10 Applicant Workshops

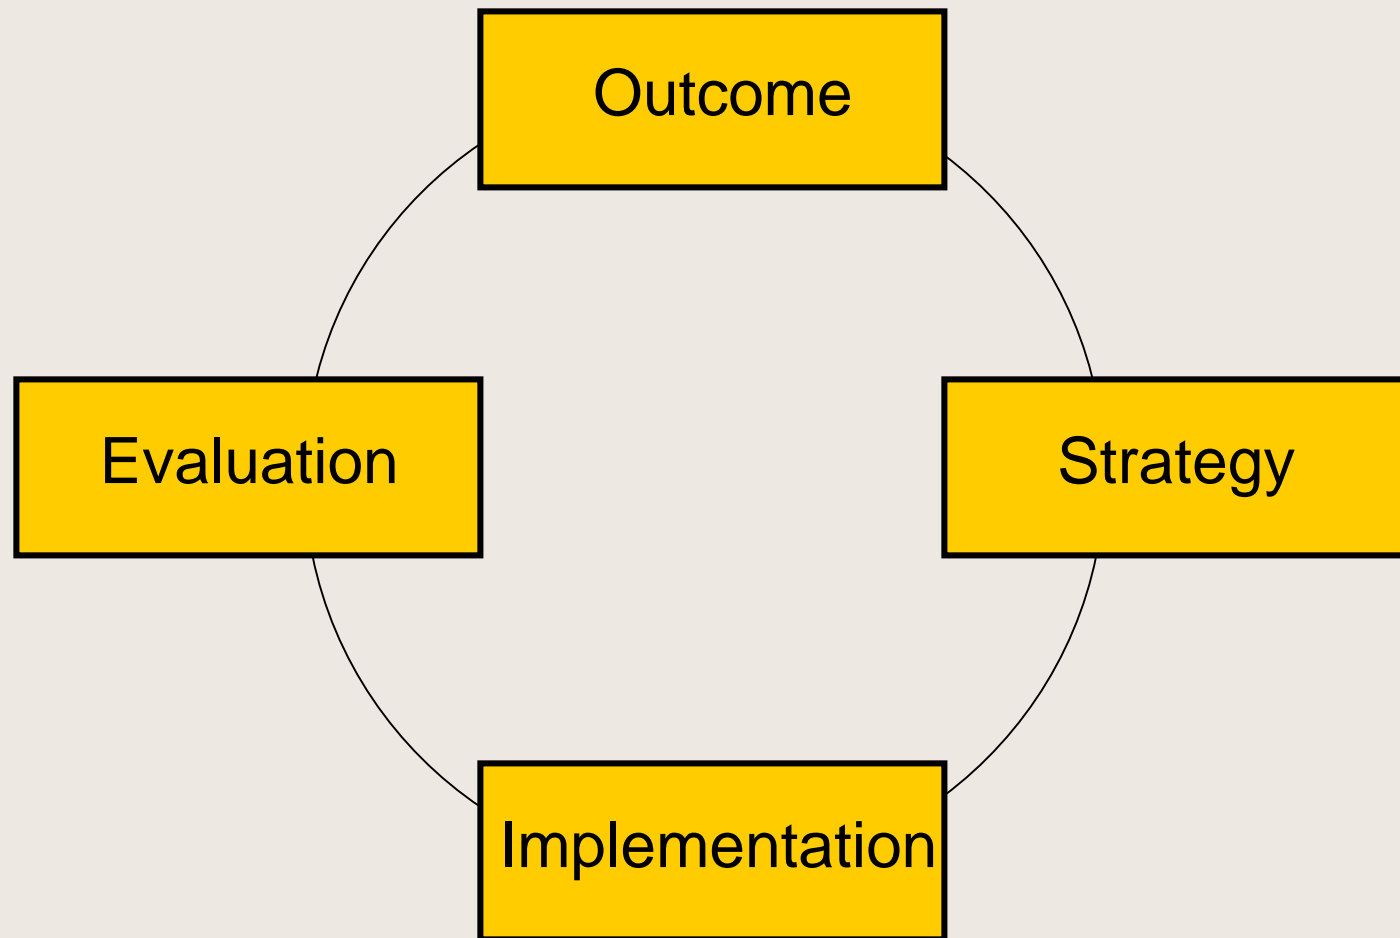

Outcomes

- What will the people you serve do after you have finished serving them?
- What conditions will exist in your community after your efforts are completed?

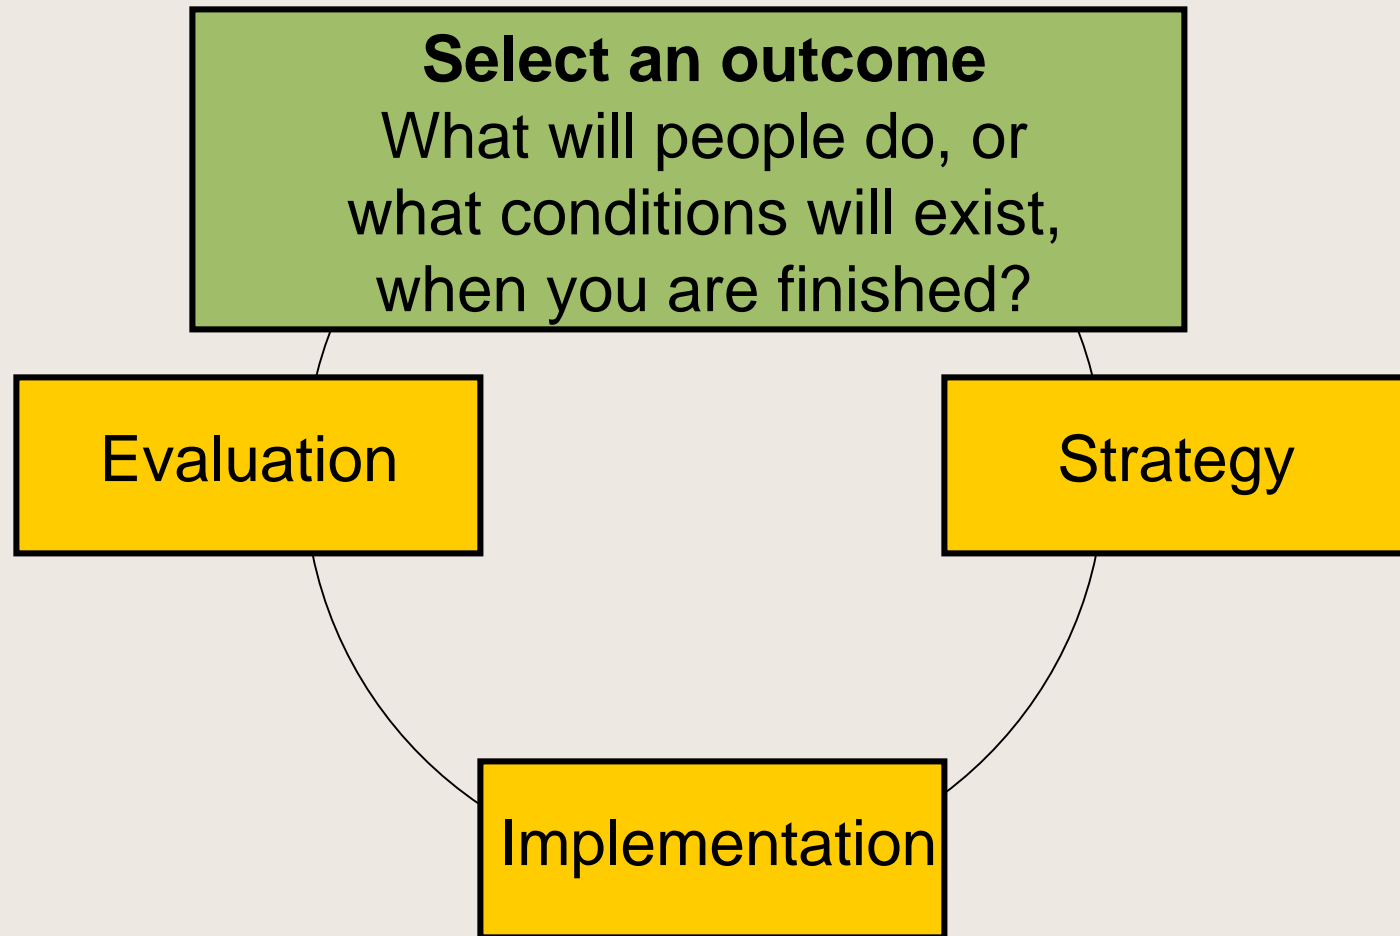

Strategies

- What will you do to get the people you serve to do what you want them to do?
- What will you do to create the conditions you want for your community?

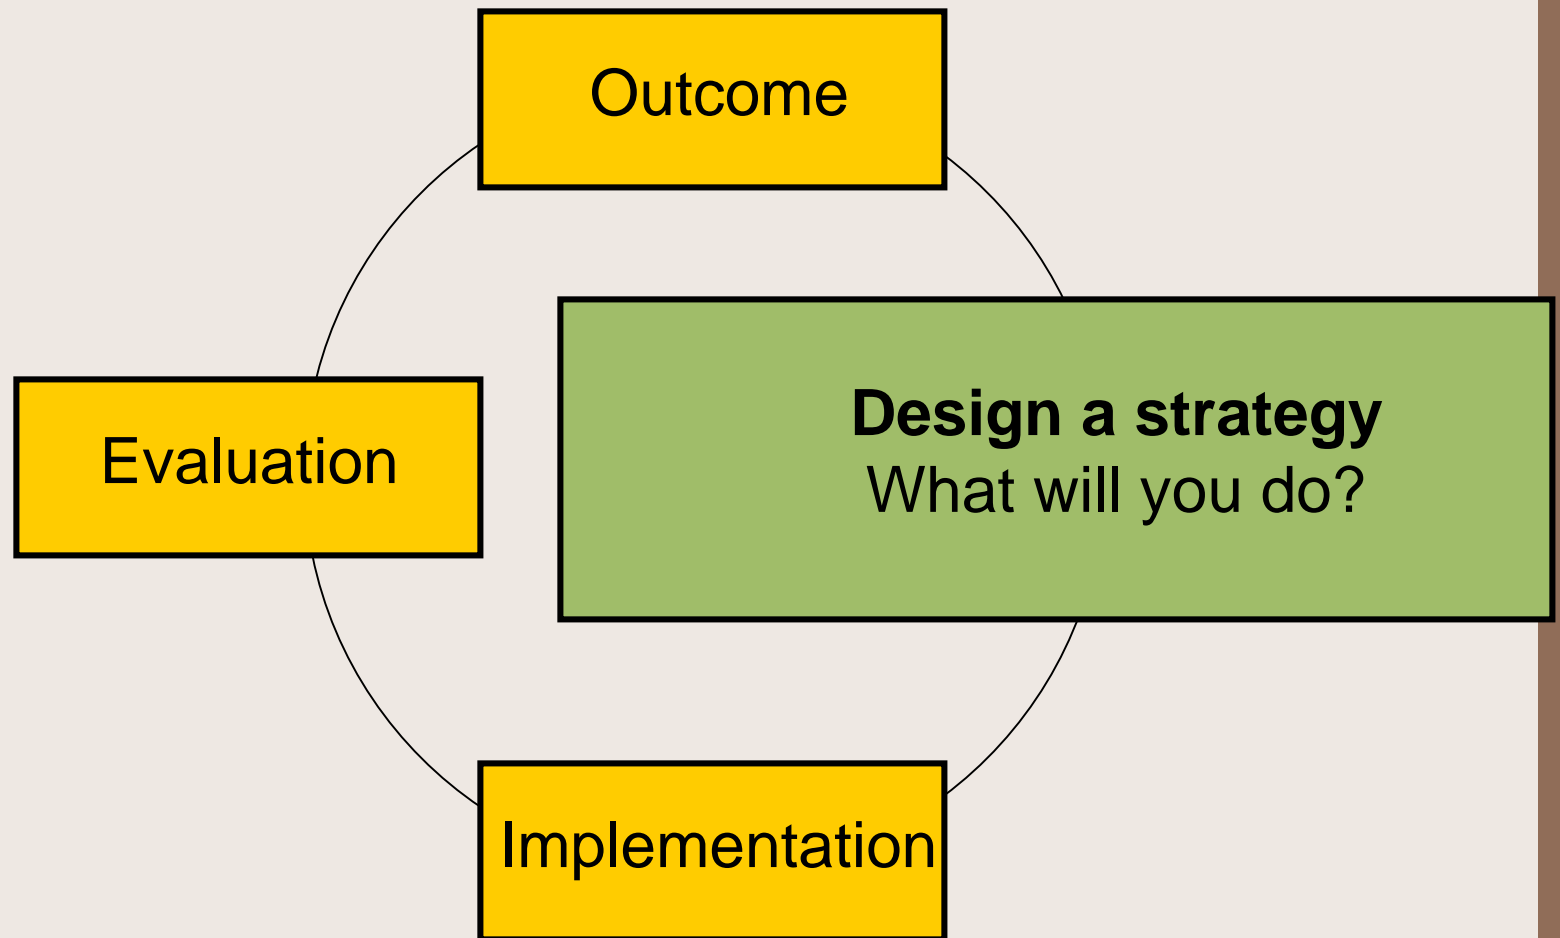

Outcomes-Strategies Model

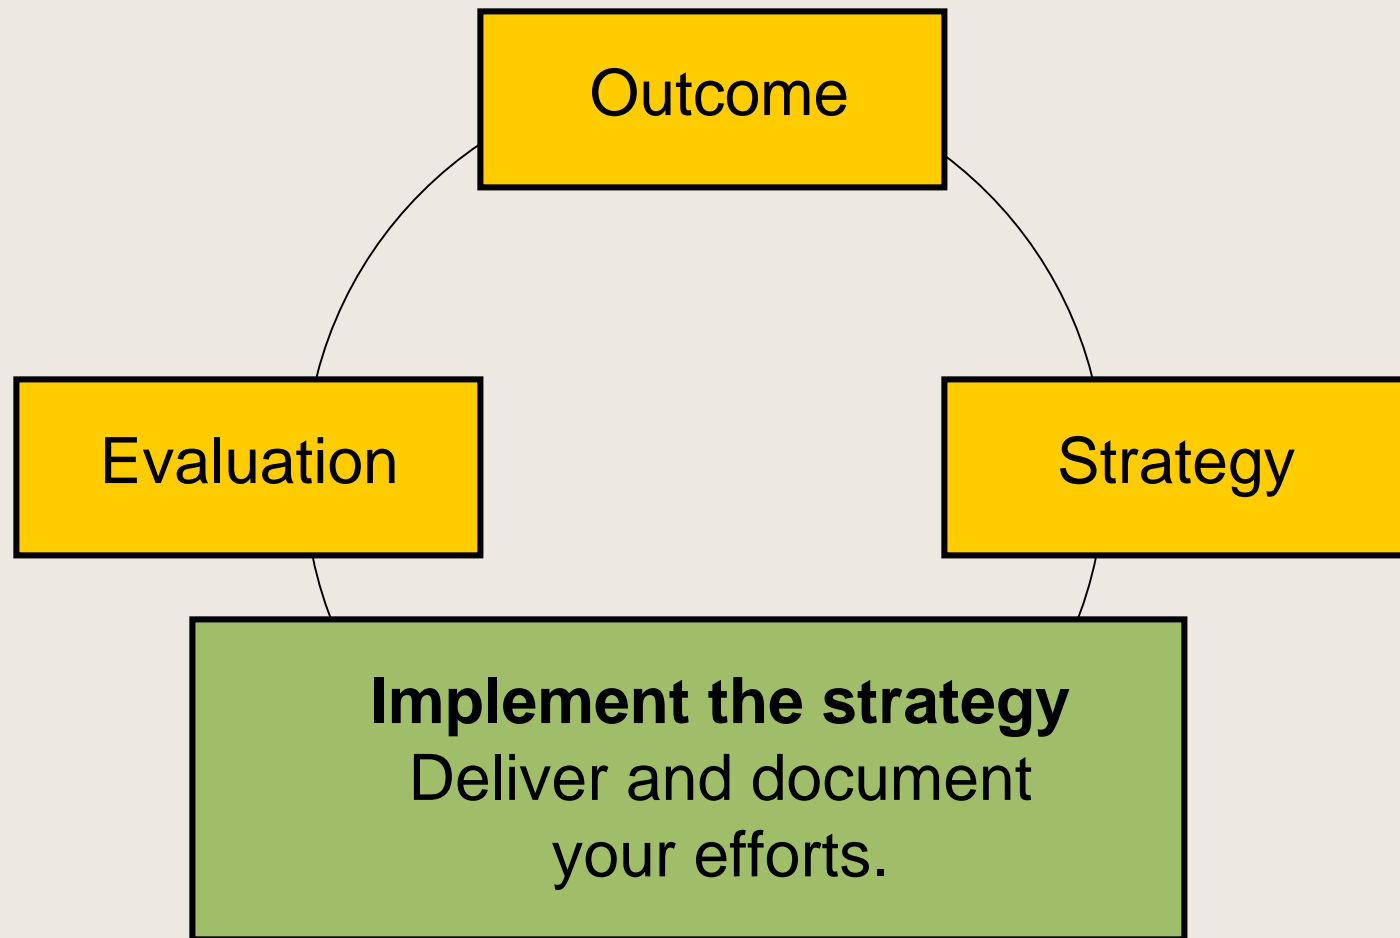

Outcomes-Strategies Model

Performance Measures

- Evidence that the outcomes have been achieved.
- Records describing your efforts.
- Evaluation process.

Performance Measures

Outcomes:

- What will you show people to convince them that your outcomes have been achieved?

Performance Measures

Strategies:

- What information will you collect to document your efforts?

Performance Measures

Evaluation:

- How will you use the information you collect to explain how you achieved (or did not achieve) your program's outcomes?

Placer County/SMART Outcome Screening Form

Some programs may choose to use the Outcome Screening Forms to compare the experiences of the people they serve before and after they serve them:

- Early Childhood/Parent/Caregiver
- Child
- Adult

Technical Assistance

The Children and Families Commission will provide technical assistance in the outcome process:

- Help programs identify their outcomes,
- Help programs define their performance measures,
- Help programs analyze and interpret their findings.
